

BlueDV Android App locked to Screen

You can now lock the BlueDV app so it is always open and on top.

This stops the app from closing and cutting your connection.

[Android Phone Setup](#)

[Android Tablet Setup](#)

Depending on your phone you might wish to read both Documents.

If you still can not find “Pin Windows or Screen Pinning”

Google the make off your Phone and Lock your phone to a single app
or

Google the make off your Phone and Pin Windows or Screen Pinning
